Shipping & Delivery Policy

Order processing

Thank you for shopping with Michelle's Room Finds. Because our boutique includes original collections and carefully curated finds from different fulfillment partners, processing and delivery times vary by item, inventory, production, destination and fulfillment method. Review the product listing and checkout for applicable estimates, shipping charges and available options.

Fulfillment and separate shipments

Some products ship directly from MRF; others ship from suppliers or print-on-demand partners, which may be located outside the United States. Orders may arrive in separate packages from different locations. Tracking will be provided when available.

Preorders and made-to-order items

Review each listing for estimated production and shipping times. Holiday demand may extend processing. Delivery by a holiday is not guaranteed unless expressly confirmed. If we cannot ship within the stated timeframe (or the applicable legal timeframe if none is stated), we will provide the required delay notice and opportunity to consent to a delay or cancel for a prompt refund, as required by law.

Address accuracy and international orders

Provide a complete and accurate delivery address. Contact us promptly to request corrections; changes may not be possible after processing. International availability varies by product and destination. Customs duties, taxes or import charges may apply as disclosed or required by law.

Delivery issues

Contact MRF for direct-store orders that are delayed, missing, damaged or incorrectly delivered. Include your order number and relevant details. We will review the issue and coordinate with the carrier or fulfillment partner as appropriate. Applicable consumer rights remain intact.

External retailer purchases

Orders placed directly with an external retailer through an affiliate link follow that retailer's shipping policies.
