Our recommendations

At Michelle’s Room Finds, I share pet-friendly home ideas, pug life, product recommendations, cleaning tips, travel ideas, recipes and everyday finds alongside our own boutique collections. My recommendations may be based on personal experience, research, opinion or interest. Not every curated item has been personally tested by me. My goal is to share honest thoughts and help my Deal Finders discover things they may enjoy. — Chan

Affiliate links

Some links are affiliate links. If you make a qualifying purchase through one, we may earn a commission at no additional cost to you. Relevant affiliate relationships will be disclosed near the applicable recommendation or link.

Sponsored content and gifted products

We may receive payment, complimentary products, samples, discounts or other benefits from brand partners. Material relationships will be disclosed clearly in relevant content near the recommendation. Our opinions are intended to reflect honest experiences and assessments. Product claims, prices, availability and results may vary.

Direct store versus external retailers

Products purchased directly through the MRF store are handled by MRF, even if a partner fulfills them. Purchases made on an external retailer’s website are governed by that retailer’s prices, policies and customer service. We do not control external retailer availability or offers.
